CAMP MISSION STATEMENT

To provide the ideal atmosphere and a unique opportunity for campers to learn valuable skills and make new friends through programs that are challenging, educational and fun. To create a safe and supportive environment that allows campers to connect to people of all ages, diversities, and backgrounds. To understand that fun and learning should be synonymous. Each camper should come away with tangible evidence of having succeeded in one or more activities, as well as intangible feelings of independence, self-worth and self-confidence.

PRACTICING THE 3 R's

The Greenbelt Recreation Department is committed to ensuring a safe, nurturing, and fun environment for all its campers. Behavior policies are enforced in a fair and consistent manner. To this end, all campers are expected to:

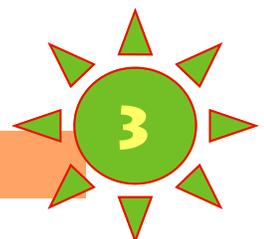

- Take responsibility for their own behavior
- Be courteous
- Be respectful of others and their property
- Cooperate with others
- Speak appropriately
- Seek alternatives to verbal and physical conflicts
- Exhibit self-control

At Greenbelt Summer Camps we practice the 3R's-Respectful, Responsible, and Ready. Campers should be respectful of others and the equipment, responsible for their actions and their belongings, and ready to participate and listen to instructors. The 3Rs is an easy way for campers to remember the Recreation Department's expectations.

Individuals may lose the opportunity to participate in programs

But he needs the power of Queen Hippolyta’s magic golden belt to accomplish his greatest feat – lifting the entire world! When he borrows the belt, he is tempted to keep it, and he learns that a hero’s hardest challenge is to overcome his own selfishness.

The magic of art and performance unfolds for campers at the Greenbelt Community Center, where they are mentored by teaching artists and enthusiastic counselors as they explore theater, movement, music, ceramics, and visual art. OR CLAY AT THE END OF THE DAY...

Clay at the End of the Day

For campers who are interested in pottery and ceramic arts, these classes offer an alternative to traditional after-care. Campers ages 6-9 will learn hand-building and decoration techniques, creating sculpture and pottery. Children ages 11 to 14 will receive an introductory course in the use of the potter's wheel. Ten-year-old campers may participate in either class, according to their experience and abilities. Children may be picked up in the Community Center Multi-purpose Room (201) at 5:15pm. *Inside tip: learning to throw pots on the wheel is great fun, but also challenging - even for adults! The process requires strength, fine motor control and concentration. Youth wheel classes are a great opportunity for students who can maintain focus for extended periods of time, who are receptive to instruction and who are resilient in overcoming mistakes.*
